

GOING TROPPO NIGHTLIFE TOUR

Rarotonga

Going Troppo Party Bus is a highly recommended nightlife tour and a must-do experience when visiting Rarotonga. Fun, interactive, and without a doubt the safest way to experience Rarotonga by night, Going Troppo promises an unforgettable evening from start to finish.

From your accommodation, our friendly local tour guide and driver will pick you up, welcome you aboard, and then the party begins.

This 5–6 hour experience kicks off with a stop at the Islander Hotel's Hula Bar, where you'll enjoy a complimentary beer or cocktail. From there, we head to the popular 21.3 Vaianas Bar & Bistro, where bar snacks and nibbles are provided—because it's important to line your belly beforehand.

After 21.3, the bus continues into town, where you'll visit three more bars, including the iconic Rehab Nightclub.

Sadly, all good things must come to an end. At the conclusion of the tour, your driver and guide will return you safely back to your accommodation or original pick-up point. We operate a fleet of three custom-modified Going Troppo buses, designed to maximise interaction, comfort, and entertainment. Each bus carries 19–22 passengers and features padded side-bench seating, large open windows, surround-sound audio, LED lighting, and dancing poles—just to add to the fun while on the road. All buses are fully licensed and insured.

In addition to your complimentary drink and nibbles, you'll also receive a souvenir flower ei, your choice of an LED multicoloured wine glass or stubble holder, and return hotel transfers.

This is truly an unforgettable experience. We take care of everything—the only thing you need to worry about is the next day.

Going Troppo Party Bus is also available for private bookings, making it perfect for hens and stags parties, birthdays, and any other special occasions.

Please note: Alcohol consumption and smoking is not permitted on the buses. Photos will be taken throughout the tour.
