

## RAROTONGA: OCEAN AND EARTH Private Agricultural and Marine Tour

Explore the Nature of Rarotonga from the comfort of an air-conditioned car or van, as our experienced local guide takes you on a fascinating 3 hours agricultural and marine tour.

The first stop is at the Whale and Wildlife Centre, the only interactive museum in Rarotonga on the Marine Life of the South Pacific. You will be able to touch and see unique pieces from the underwater world. Visiting the centre, you will also help the Cook Islands Whales Research Project.

Your sightseeing tour continues on to Black Rock, a volcanic boulder on the edge of the lagoon, traditionally believed to be the departure point of spirits to Avaiki (the afterlife). From here, we will show you the best snorkelling spots and the rich plantations of citrus, bananas, tapioca, papaya and taro and other crops of the inland, during this informative scenic drive.

You will visit the beautiful Maire Nui Tropical Gardens: seven acres of spectacular botanical nature with lush lily ponds and magnificent mountain view. A wonderful place that portrays the tropical nature of the island, with its hibiscus, heliconias, frangipani and much more.

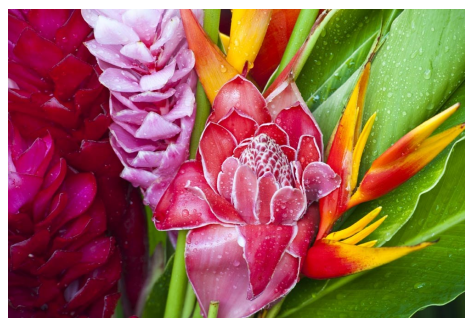

Your lunch break at the Mooring Fish Cafe will be the perfect opportunity to taste delicious fresh fish caught by Captain Moko and cooked by his lovely wife.
